## Hail to the "Emperor of the Beach"

Al,

What a great race- Congratulations - I was so proud.

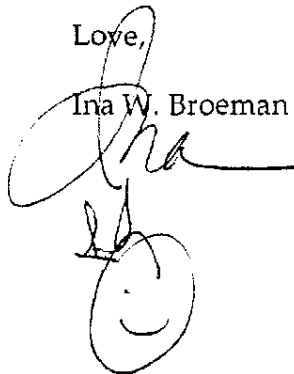

Unfortunately, I was tied up in traffic leaving tennis for the airport, so I couldn't watch the race. Fortunately, I had my cellular phone, so the gang at the trailer talked me through the last 30 laps. As I pulled into the airport you crossed the finish line. I must say the sky cap was surprised when I leapt from the car and hugged him!

I can't wait for Nazareth!

Again, Congratulations and Happy Easter to you all.

Love,

Ina W. Broeman

*you are the best*
